

User stories for SoloBrows website (Project 1)

As a woman ready to have microblading done,
I want to research different tattoo artists
So that I can choose the one whose work looks the best.

As a woman interested in microblading,
I want to learn about the different styles and techniques
So that I can decide which will be best for me.

As a woman looking to improve her eyebrows
I want to know what my options are
So that I can make a decision on what to do.
